

# eMEDICAL FORUM

## LIVE, ONLINE eMEDICAL FORUM

Merck cordially invites you to a medical education program for health care professionals only. Merck is sponsoring this program and the speaker is presenting on behalf of Merck. This program is a non-CME event. The information presented in this program will be consistent with FDA guidelines. The format is an interactive Webcast entitled:

## Pneumococcal Disease Burden in the United States

### Mark Sannes, MD

*Is an Infectious Disease Physician at Park Nicollet Clinic, St Louis Park, MN and a Adjunct Assistant Professor of Medicine at the University of Minnesota Medical School.*

Dr. Sannes attended University of Minnesota Medical School, Minneapolis, completed a residency program at Hennepin County Medical Center and received postgraduate training in Infectious Disease at University of Minnesota. Dr. Sannes is board certified in the area of Infectious Disease.

### Date

Thursday, March 1, 2012

### Time

**Buffet Dinner: 6:30 pm EST**

**Webcast: 7:00 pm EST**

### Learning Objectives

- Describe the impact of Pneumococcal Disease (PD) with respect to its potential consequences
- Describe serotype replacement and its effect on pneumococcal disease (PD) in the US
- Understand the importance of vaccinating appropriate adults against PD as part of the adult vaccination platform

**Register me for a live Webcast! Go to <http://merck.medconferencelive.com/PD> to register for this event**

**Please RVSP to attend a local venue**

To comply with certain federal, state, and local laws that prohibit or limit the provision of meals to health care professionals and/or state employees, Merck does not offer a complimentary meal to individuals who are subject to such restrictions. Attendees to whom such restrictions apply should not avail themselves of the complimentary meal. The venue will, however, provide an opportunity for the meal to be charged to an attendee's personal account (eg credit card). If you are unsure of your state's laws and regulations, we ask that you please check prior to attending this event.

Merck is pleased to sponsor this program to provide information consistent with FDA guidelines. This program is not an accredited CME program and is not designed to meet any training and/or educational requirements.

The speaker for this program is speaking on behalf of Merck
